Genovate Solutions expands in India

TVA Editor, 13 years ago | 0 | 1 min read | 82

Singapore- Genovate Solutions Pte Ltd, Singapore-based provider of business IT solutions, has established five new offices in India to be opened within the next 3 months to bring the total number of offices to twelve. The company's new offices are located in Hyderabad, Thane, Bangalore, Baroda and Lucknow to support the growing market demand for business solutions in India to provide IT solutions, products and services sales, IT training and education, as well as consulting and implementation services. Genovate's main businesses includes, SAP solutions training (Instructor led and e-learning), SAP Consulting / Implementation & Maintenance Services for Mid Markets, RapidStart (Integrated Retail and Business Management software) and Knowledge Window Asia Pacific (KWAP) Training Centre. J. Anton Ravindran, CEO and Co-Founder revealed Genovate will be investing some S$4 million in expansion and expects revenue from International Operations to contribute 70 – 80% of the company's total annual revenue, with 40% from the Indian market.
